Dear Ms. Mayes

We would like to thank you for your stand and vote on the SRP 500 KV power line that is coming across Pinal County. Our family has owned property here since 1928. We have 40 acres between Nafinger and Christensen Roads and the power line would split our property for one mile plus the structure towers would be on our property.

Christensen Road splits our farm and we are blessed with the Bureau line, Jet fuel line to Davis Monthan in Tucson, 3 fiber optic lines and the SRP gas line going to San Tan Station plus another natural gas line going to Superior.

We are still farming and it has grown more difficult with each new activity on our property.

Thank you again for standing up for those of us who have lived here for a very long time.

Sincerely,

Mary A. Faul
