Re: **Generic Docket for Commission's Inquiry Into Smart Meters**
Docket No.: E-00000C-11-0328

Dear Stakeholders and Interested Parties:

This letter serves as notice that the Commission seeks additional information on the possibility of health impacts of smart meters. The Commission has already received several reports and studies. However, the Commission has expressed an interest in allowing stakeholders to develop as complete a record as possible. The Commission wants to make sure it has received all possible scientific studies, surveys, reviews or findings by governmental, educational or research institutions. **If you have previously filed comment or information in the docket, there is no need to duplicate your previous filings.**

The Commission requests that stakeholders and interested parties submit the requested information in written format and file them in the above-captioned docket on or before June 28, 2013. Instructions for filing written comments in the docket may be found at www.azcc.gov, or you may call (602) 542-4251 or 1-800-222-7000 for information about how to file documents into the docket. **Filings are matters of public record and should not contain information, including personal information, not intended for public disclosure.**

If you would like to receive information about this docket on an ongoing basis, please file a notice with Docket Control indicating that you would like to be on the service list. Your notice should include your name, address and email address. Future notices regarding this docket will be sent only to those individual/entities that have asked to be included on the service list.

After the Commission has had an opportunity to review the written comments, it may convene an Open Meeting or other proceedings on the matter. All Commission hearings, workshops, and Open Meetings for this docket and all others are posted on the Commission website at www.azcc.gov.

Thank you for your interest in this important issue.

Sincerely,

A handwritten signature in blue ink that reads "Jodi A. Jerich".
