Re: APS' Renewable Energy Standard Implementation Plan;
Docket No. E-01345A-07-0468

Dear Ms. Klemstine and Ms. Edwards:

I have read APS' proposal as well as the comments by the Solar Alliance and could not help but notice how divergent your positions are. Staff is in the process of analyzing the implementation plan, a process that will require consideration of both these viewpoints. In the interest of expediency, I believe that APS and the Solar Alliance, as well as any other interested parties, should sit down together in an attempt to reach a reasonable compromise.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "William A. Mundell".
