Re: Sulphur Springs Valley Electric Cooperative, Inc. Rate Case;  
Docket No. E-01575A-08-0328

Dear Colleagues:

I think that it would be beneficial for the customers of Sulphur Springs if the Commission held a public comment meeting in southern Arizona, possibly in Sonoita or Patagonia, sometime in the near future. I have been contacted by constituents in Sulphur Springs' service territory who voiced questions and concerns about the rate case, net metering, the Renewable Energy Standard and Tariff rules, and a proposed 69 kV line in Sonoita.

I believe that we should take the time to listen to their concerns in person and clear up some misinformation that appears to be circulating in southern Arizona.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "William A. Mundell".

William A. Mundell, Commissioner  
Arizona Corporation Commission
