Re: Reconsideration of Decision No. 68858  
Arizona-American Water Company, Paradise Valley Water District;  
Docket Nos. W-01303A-05-0405 and W-01303A-05-0910

Dear Colleagues:

I have reviewed the letters written by Chairman Gleason, Commissioner Pierce and Commissioner Mundell, and I understand there are still many questions that have yet to be answered.

It seems fruitless to revisit this matter until there is a resolution to certain primary questions. (1) The scope of the rehearing must be decided and (2) a consensus must be reached by those within the scope of the rehearing, in addition to the parties affected by it, including the Town of Paradise Valley. Although I have not made up my mind, I am more inclined to consider a commencement of a proceeding pursuant to A.R.S. §40-252 to amend Decision No. 68858 once these issues are clarified.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jeff Hatch-Miller".
