Re: Order to Show Cause Proceeding against Litchfield Park Service Company; Docket
No. SW-01428A-06-0444

Dear Colleagues:

I have read Commissioner Mayes' letter dated June 21, 2007 in which she requested that Staff initiate an Order to Show Cause proceeding against the Litchfield Park Service Company. I think that this is an excellent idea and I readily concur.

While I am not prejudging this matter, the flow of raw sewage onto city streets certainly calls into question whether a company's facilities are adequate to promote the health and safety of its patrons and the public. That, and given this company's history, I feel it is in the public interest to commence such a proceeding.

Sincerely,

A handwritten signature in black ink that reads "William A. Mundell".

William A. Mundell
Commissioner
