Phoenix, AZ—The Arizona Corporation Commission will be in Litchfield Park on Monday, January 25 to hold a public comment meeting on a request for a rate increase by Liberty Water, formerly known as Litchfield Park Service, Co. The Commissioners will begin with opening remarks and then devote the meeting to residents who wish to comment on the impact of the company's request and the quality and reliability of service the company provides.

Members of the public and the press are invited to attend.

Hearings on the rate case were held earlier this month at Commission headquarters in Phoenix. An Administrative Law Judge presided over the hearings and will issue a Recommended Order that will come before the Commissioners at a later date for discussion and vote.
