The Corporation Commission warns Business Owners of Misleading Solicitation that Seeks Money Commission is not Affiliated with “Compliance Filings Services”

(Phoenix) The Arizona Corporation Commission warns Arizona business owners about a solicitation from Compliance Filings Services (CFS) that seeks a \$150 fee to file a company’s annual minutes. The Arizona Corporation Commission is not affiliated with Compliance Filings Services. The Commission does not require such a fee and businesses are not required to file “annual minutes” with the Commission.

CFS uses language in its solicitation that implies it is informing corporations of a legal requirement, and cites statutes that may make it seem legitimate. The solicitation includes the Arizona Corporation Commission file number assigned to the business with an official-looking deadline to file. The return address is associated with a business complex. A sample of the solicitation is posted on the Commission’s website under Consumer Alerts. Again, this solicitation is not generated by the Arizona Corporation Commission, and no fee for annual minutes is owed to the Commission.
