FOR IMMEDIATE RELEASE: December 19, 2016      MEDIA CONTACT: Angie Holdsworth (602) 542-0844

(Phoenix) The Arizona Corporation Commission approved a safety upgrade for a Pinal County railroad crossing at State Route 177 at mile post 152.2 near Kelvin.

There are 3 schools in that vicinity. Six school buses and 12 trains use the crossing daily. The upgrade includes new automatic warning devices with upgraded gates and flasher units and bells on the outside edges of the road. New cantilevers will also be installed and a new concrete crossing service will be built to replace the asphalt surface. The project will be paid for with funds from the Federal Highway Administration.
