TARIFF FORMAT SHEET

- A. Page Numbering - Page numbers appear in the upper-right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the Tariff. When a new page is added, the page appears as a decimal. For example, a new sheet added between Sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper-right corner of the page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th revised Sheet 14 cancels the third revised Sheet 14. Because of deferrals, notice periods, etc., the most current page number on file with the Commission is not always the Tariff page in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level of coding.
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a)I
 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(l)
- D. Check Sheet - When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the pages contained in the tariff with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remained the same, just revised revision levels on the same sheets). The tariff user should refer to the latest Check Sheet to find out if a particular page is the most current page on file with the Commission.

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Wireless Service

3.1.1 Service Conditions

- A. Services are limited to the operating range and capacity of the Company's wireless system in the Company's service area and may be changed from time to time.
- B. Service depends on over-the-air radio transmissions. Many factors beyond the Company's control may affect the Company's ability to make and receive calls on the Company wireless handset and the quality of those calls including, but not limited to, the location, the conditions of the atmosphere, terrain, nearby buildings and other structures, network capacity issues, system outages or failures of equipment to operate as expected, a problem that occurs with service we purchase from someone else, system upgrades, performance of maintenance work, accidents or other events outside of the Company control. As a result, Services, including calls or attempted calls to emergency services, may be interrupted, may fail, or may be below normal quality levels. The Company takes no responsibility for service interruptions or problems caused by factors beyond the Company control.
- C. Statements by the Company's employees, representatives, or agents regarding system coverage is intended to describe approximate coverage and should not be interpreted to mean that Service will be available without interruption.
- D. Subscribers agree to hold the Company harmless against any and all claims, demands, actions, or other causes of action (including actions by third parties) arising out of the use or attempted use of the service.
- E. Consistent with cellular industry practices, airtime may be deducted for outbound calls exceeding 15 seconds in situations in where the calling party does not answer or if there is a busy signal.
- F. Service is available to Lifeline qualified consumers who make a reasonable request at charges and under the terms and conditions contained in and throughout this tariff.

- G. Lifeline qualified Subscribers may purchase amounts of airtime on a prepaid basis in denominations described in Section 3.1.8 of this tariff. Airtime is valid and available for use as detailed in Section 3.1.3.

3.1.2 Activating and using a Life Wireless Handset

- A. Eligible Lifeline Subscribers will receive a standard E911 compliant handset at no charge. The standard handset is further described in Section 2.1.7. Existing Company Subscribers who qualify for Life Wireless Lifeline Service and who would like to use their existing handset are requested to call 1-888-543-3620 or via the web at www.lifewireless.com.

3.1.3 Airtime Usage

- A. Life Wireless Lifeline customers receive a finite amount of minutes and SMS messages each month, as determined by their plan section as defined in Section 3.1.8.
- B. A standard cellular call is considered to be a call that does not include the following types of usage:
1. informational services;
 2. directory assistance or operator services;
 3. multi-media usage;
 4. text messaging;
 5. other usage as determined applicable by the Company.
- C. Deduction of minutes for a completed call from a customer's handset will begin when the SEND key is pressed and will end when either party ends the call, rounded up to the nearest minute. Call detail records will only be provided where required by applicable law.
- D. Airtime minutes do not have any cash value. The purchase of a Life Wireless Prepaid Wireless airtime card is non-refundable.
- E. Life Wireless customers may purchase and use a Life Wireless handset with any Life Wireless prepaid wireless airtime cards.
- F. Minutes used for calls to 911 or customer service, including use of the IVR system, will not be deducted from a Lifeline customer's account.

3.1.4 Emergency Calls

- A. There is no deduction of minutes for 911 emergency service calls.
- B. Life Wireless handsets can reach 911 Emergency services regardless of minutes remaining on the handset.
- C. As previously stated, many factors beyond the Company's control may affect the ability to make and receive calls on a Life Wireless handset which include, but are not limited to, atmospheric conditions, terrain, nearby buildings and other structures, network capacity issues, system outages or failures of equipment to operate as expected, a problem that occurs with service we purchase from someone else, system upgrades, performance of maintenance work, accidents or other events outside of the Company's control. If a customer is in an area where the handset is searching for a wireless signal or where there is no wireless signal or wireless service, it is highly probable that a call to 911 will not go through. Subscribers should not rely solely on a Life Wireless handsets in an emergency situation. In an emergency, locate the nearest landline phone and call for help. Life Wireless takes no responsibility for service interruptions or problems caused by factors beyond the Company's control.
- D. Statements by Life Wireless, its employees, representatives, or agents regarding system coverage is intended to describe approximate coverage and should not be interpreted to mean that Service will be available without interruption.

3.1.5 Rates and Charges

A. General

- 1. Subscribers are responsible for paying all charges including, but not limited to 1) charges for optional Service features selected by the Subscriber; 2) directory assistance calls; and 3) all applicable surcharges, fees, taxes, and regulatory charges related to optional services features selected. Subscribers are responsible for all charges applicable to Subscriber handset service. Life Wireless will automatically deduct applicable charges from the Subscriber's available minutes.

- D. Telephone service must be in the name of the individual receiving the benefit, or if qualifying through a dependent, must be in the name of the parent/guardian of the dependent.
- E. One Low-income credit is available per Economic Unit and is applicable only to the customer's principle residence and the primary residential connection.

3.2.3 Certification and Verification of Eligibility for Low-Income Programs

- A. Certification and verification are the processes by which eligible consumers establish their qualification for Lifeline. Certification occurs at the time an individual is applying to enroll in Lifeline, while verification occurs on a periodic basis after the Subscriber has already been certified.
- B. All Subscribers applying for the Life Wireless Lifeline Service offering and who qualify through participation in one or more of the approved needs based programs, must complete and return to Life Wireless a Self-Certification Application. Potential Subscribers may print a blank Self-Certification Application off of the Company's website and may elect to submit via fax. Self-Certification Applications are available at Life Wireless' website at www.lifewireless.com. Consumers without internet access may request to have a Self-Certification Application mailed to them by contacting a Life Wireless Customer Service Representative at toll free 1-888-543-3620.
- C. Subscribers who elect to use a paper Self-Certification Application may return the completed and signed application, along with any supporting documentation that may be required, to Life Wireless via fax, email, or delivery via the United States Postal Service ("USPS"). Applicants who prefer to submit the Self-Certification Application to Life Wireless via USPS can mail the completed application to:

Life Wireless
1480 Terrell Mill Road SE, Suite 1
Marietta, Georgia 30067

- D. Potential subscribers are required to list their primary residential address on the Self-Certification Application and to identify all of the programs in which they participate.

- E. Applicants who do not have a physical address and use a P.O. Box instead are required to include directions to their primary residence with their Self-Certification Application.
- F. Lifeline discounts, provided in the form of free minutes, will not be provided until proof of eligibility has been received by the Company.
- G. Subscribers who either do not have internet access or who choose to verify eligibility via paper form will be able to complete the annual verification process by mailing verification to Life Wireless via the USPS.
- H. Receipt of a customer's annual verification form and required documentation will be a prerequisite for the customer's continued eligibility to receive Lifeline-supported services. Subscribers who do not verify their continued eligibility will have their Lifeline discounts removed.

3.2.4 Applicable Discounts

- A. Under the Company's Wireless Lifeline Program, Life Wireless will use all low-income universal service support to provide free airtime minutes or Lifeline discounted rates ensuring that the consumer receives 100% of all universal service support funding for which the Company will seek reimbursement.

3.2.5 Non-Usage Policy

- A. Life Wireless has implemented a non-usage policy to ensure that Lifeline support is received only for those qualified Lifeline Subscribers who use the service and to prevent reimbursement to Life Wireless from the USF for Lifeline support provided to inactive Subscribers.
- B. Life Wireless has the ability to monitor call activity through CFR platforms. should a customer account not show usage for two consecutive months the customer account will be temporarily suspended from placing or receiving voice calls or SMS. Affected accounts WILL be able to place 911 calls for emergencies and place 611 calls to customer service.
- C. Affected customer accounts will be given a 30 day grace period to resume using the service. If after 30 days the customer has not resumed using the service the customer account will be de-enrolled from the lifeline

program. Disconnected accounts will be able to place 911 calls for emergencies.

- D. To resume using the service the affected customer must contact Customer Service by dialing 611 from their Life Wireless phone or by dialing toll free 1-888-432-3620 from any wireline phone or non-lifeline wireless phone to make suitable arrangements to reestablish service.
- E. Customers who have been deactivated under this plan may re-enroll in the Lifeline program in the future. Assuming that this customer remains qualified for Lifeline benefits, the customer will be re-enrolled in the program and will be provided the monthly allotment of minutes following re-enrollment. In addition, when this customer's service is reactivated, the customer's account will receive any unused minutes that accrued during the 60 day non-usage period and the 30 day grace period.
- F. Once a Subscriber has been de-enrolled from Lifeline, Life Wireless will cease seeking reimbursement from the USF for the Subscriber. However, should a Subscriber reinstate as a Lifeline customer during the 30 day grace period, immediately following deactivation for non-usage, Life Wireless will apply all free usage to the Subscriber's account and will seek reimbursement from the USF for the Lifeline benefits provided to that Subscriber during the 30 day grace period. Should a Subscriber re-enroll in Lifeline after the expiration of the 30 day grace period, Life Wireless will resume seeking reimbursement from the USF consistent with the Subscriber's re-enrollment.

3.2.6 Calling Scope

- A. Airtime includes both local and toll calls to or from all fifty (50) United States and Puerto Rico.
