

**GAS CUSTOMER NOTIFICATION**  
**(TITLE 49 CFR PART 192.16)**

**All natural gas customers that have buried gas piping located on this property that is individually owned and not maintained by the property owner or management, please be advised of the following information:**

**BURIED GAS PIPING SHOULD BE:**

- 1. Periodically inspected for leaks.**
- 2. Periodically inspected for corrosion, if the piping is metallic.**
- 3. Repaired if any unsafe condition is discovered.**
- 4. When excavating near buried gas piping, the piping should be located in advance and the excavation done using hand tools (shovel, sharpshooter, etc.).**
