- Next, you will see options for Annual Report Filing that apply to the type of Corporation you have. Select the appropriate box, after reading the explanation. For example:

Submit Corporation Annual Filing

File Annual Report

Corporations are required by law to file an Annual Report and Certificate of Disclosure each year by the specific deadline assigned to the corporation. The online process will allow you to file even if you owe previous years reports, fees, and penalties, and, if applicable, will allow you to upload a required attachment.

- Now follow through all the screens to update your annual report information, and pay for the filing.
