

## NEWSPAPER QUALIFYING FORM

As a courtesy to its customers, the Corporations Division of the Arizona Corporation Commission maintains a list of newspapers that meet statutory requirements for publishing documents filed with the Commission.

In order for a newspaper to be included on the list, it must be a newspaper of general circulation and must meet **all** of the following criteria, per A.R.S. §§ 10-120, 10-140 and 39-201:

1. It is printed in the English language;
2. It is a publication regularly issued for dissemination of news of a general and public character at stated short intervals of time;
3. It has a known office of publication;
4. It has dates of issue;
5. It is numbered consecutively;
6. It has a bona fide list of paying subscribers;
7. It has been admitted under federal law as second class matter in the U.S. mails for at least one year (this is now termed "periodicals" by the U.S. Post Office instead of second class matter); and
8. It must not be designed primarily for advertising, free circulation, or circulation at nominal rates.
