General Information

When are amendments required?
Foreign LLCs are required by law to amend their application for registration if any statement in the application was false or erroneous when it was made or if any arrangements or facts have changed making the application inaccurate in any respect. See A.R.S. § 29-805(B).

In addition, the foreign LLC is required to provide to the Arizona Corporation Commission copies of any amendments or restatements to its articles of organization within 60 days of the effective date of the amendment or restatement. See A.R.S. § 29-805(A).

Statutes are available on the Arizona Legislature’s website, www.azleg.gov, by following the link for Arizona Revised Statutes. Failure to make a required amendment will subject the foreign LLC to being administratively revoked. See A.R.S. § 29-807.

What must be filed with the Arizona Corporation Commission?
The foreign LLC should submit Articles of Amendment to Application for Registration. The Arizona Corporation Commission has a form for this, although its use is not required. Forms are available on the A.C.C. website, www.ecorp.azcc.gov.

What are the requirements for changing the foreign LLC name?
The examiner will determine if the LLC name to be used complies with the statutory requirements, but you can review the name criteria, check for name availability and, if desired, submit a name reservation application by using our website at www.ecorp.azcc.gov. The document is submitted under penalty of law, and the "I accept" box must be checked.

Sign on the line underneath the "I accept" box. Print the name of the individual next to the signature. Fill in the date.
