TARIFF FORMAT

- A. **Page Numbering:** Page numbers appear in the upper right corner of the Page. Pages are numbered sequentially. However, occasionally, when a new Page is added between Pages already in effect, a decimal is added. For example, a new Page added between Pages 14 and 15 would be 14.1.

- B. **Page Revision Numbers:** Revision numbers also appear in the upper right corner of each Page. These numbers are used to determine the most current Page version on file with the Commission. For example, the 4th revised Page 14 cancels the 3rd Revised Page 14. Because of various suspension periods, deferrals, etc. the Commission follows in its tariff approval process, the most current Page number on file with the Commission is not always the Page in effect. Consult the Check Page for the Page currently in effect.

- C. **Paragraph Numbering Sequence:** There are nine levels of paragraph coding. Each level of code is subservient to its next higher level:
 - 2.
 - 2.1.
 - 2.1.1
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).(1).

- D. **Check Pages:** When a tariff filing is made with the Commission, an updated Check Page accompanies the tariff filing. The Check Page lists the Pages contained in the tariff with a cross-reference to the current revision number. When new Pages are added, the Check Page is changed to reflect the revision. All revisions made in a given filing are designated by and asterisk (*). There will be no other symbols used on this Page if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some Pages). The tariff user should refer to the latest Check Page to find if a particular Page is the most current on file with the Commission.

SECTION 1 – APPLICATION OF TARIFF

- 1.1. This Tariff contains the regulations and rates applicable to furnishing of local exchange telecommunications Services provided by Company to Customers for telecommunications between points within the State of Arizona. Company's Services are furnished subject to the availability of facilities and subject to the terms and conditions of this Tariff.
- 1.2. The rates and regulations contained in this Tariff apply only to the Services furnished by Company and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local Exchange telephone company or other common Carrier for use in accessing the Services of Company.
- 1.3. Company may not be deemed to have waived or impaired any right, power, requirement or option reserved by this Tariff (including, but not limited to, the right to demand exact compliance with every term and condition herein), by virtue of any custom or practice of Company at variance with the terms hereof, or any failure, refusal or neglect of Company to exercise any right under this Tariff or to insist upon exact compliance with its terms, or any waiver, forbearance, delay, failure or omission by Company to exercise any right, power or option hereunder.
- 1.4. The rates, rules, terms and conditions contained herein are subject to change pursuant to the rules and regulations of the Commission.
- 1.5. The Customer is entitled to limit the use of Company's Services by End Users at the Customer's facilities, and may use other common Carriers in addition to or in lieu of Company.
- 1.6. This Tariff will be maintained and made available for inspection by any Customer at Company's principal business office at 100 Commercial Drive, Fairfield, OH 45014 and on the Company's web site, www.powernetglobal.com.

SECTION 3 – RULES AND REGULATIONS, Continued

3.2. DESCRIPTION OF SERVICE

Company Service consists of any of the Services offered pursuant to this Tariff, either individually or in combination. Each Service is offered independent of the others, unless otherwise noted. Service is offered via the Company's Facilities or in combination with transmission facilities provided by other certificated Carriers.

3.3. APPLICATION FOR SERVICE

A Customer desiring to obtain Service may be required to complete the appropriate Service Order form and submit the Service Order in compliance with Company subscription requirements as may be established from time to time.

3.4. SHORTAGE OF EQUIPMENT OR FACILITIES

3.4.1. The Company reserves the right to limit or to allocate the use of existing Facilities or of additional Facilities offered by the Company, when necessary because of lack of Facilities, or due to some other cause beyond the Company's control, on a nondiscriminatory basis.

3.4.2. The furnishing of Service under the tariffs of the Company is subject to the availability on a continuing basis of all the necessary Facilities and is limited to the reasonable capacity of the Company's Facilities as well as facilities the Company may obtain from other Carriers to furnish Service from time to time as required at the sole discretion of the Company.

SECTION 3 – RULES AND REGULATIONS, Continued

3.5. TERMS AND CONDITIONS

- 3.5.1.** Service shall be provided and billed on the basis of a minimum period of at least one month. The Customer must pay the regular tariffed rate for Service for the minimum period of Service if Service is discontinued during the initial minimum Service period. If a Customer Discontinues Service after the initial minimum Service period has ended, then the Customer will be billed pro rata for Services rendered.
- 3.5.2.** Customers may be required to enter into written Service Orders which shall contain or reference a specific description of the Service ordered, the rates to be charged, the duration of the Services, and the terms and conditions in the tariffs of the Company. Customer will also be required to execute any other documents as may be reasonably requested by the Company.
- 3.5.3.** At the expiration of the initial term specified in each Service Order, or in any extension thereof, Service shall continue on a month-to-month basis at the then current rates unless discontinued by either party. Any Discontinuance shall not relieve Customer of the Customer's obligation to pay any charges incurred under the Service Order and the tariffs of the Company prior to termination. The rights and obligations which by their nature extend beyond the Discontinuance of the term of the Service Order shall survive such Discontinuance.
- 3.5.4.** The tariffs of the Company shall be interpreted and governed by the laws of the State of Arizona without regard for its choice of laws provision.

- J. **Provision of Service:** the Company will not be liable for any refusals or failures to provide or delays in commencing Service to any Customer pursuant to Section 3.6.2., or for any failure to provide or maintain Service at any particular performance level, unless required by Arizona law or Commission rules and regulations.
- K. **Entire Liability:** The entire liability for any claim, loss, damage or expense from any cause whatsoever shall in no event exceed sums actually paid the Company by Customer for the specific Services giving rise to the claim. No action or proceeding against the Company shall be commenced more than three years after the Service is rendered.

3.7. NOTIFICATION OF SERVICE-AFFECTING ACTIVITIES

To the extent possible, the Company will provide the Customer reasonable notification of Service-affecting activities that may occur in normal operation of its business. Such activities may include, but are not limited to, equipment or Facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' Services. No specific advance notification period is applicable to all Service activities. The Company will work cooperatively with the Customer to determine the reasonable notification requirements. With some emergency or unplanned Service-affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

3.8.6. The Company shall not be responsible for the installation, operation, or maintenance of any Customer provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this Tariff, the responsibility of the Company shall be limited to the furnishing of Facilities offered under this Tariff and to the maintenance and operation of such Facilities; subject to this responsibility the Company shall not be responsible for:

- A. The transmission of signals by Customer provided equipment or for the quality of, or defects in, such transmission; or
- B. The reception of signals by Customer provided equipment. The Customer or Authorized User is responsible for ensuring that Customer provided equipment connected to Company equipment and Facilities is compatible with such Company equipment and Facilities. The magnitude and character of the voltages and currents impressed on Company provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company provided equipment and wiring or injury to the Company's employees or to other persons. Customer will submit to Company a complete manufacturer's specification sheet for each item of equipment that is not provided by the Company and which shall be attached to the Company's Facilities. The Company shall approve the use of such item(s) of equipment unless such item is technically incompatible with Company's Facilities. Any additional protective, equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.
- C. Any special interface equipment necessary to achieve compatibility between the Facilities and equipment of the Company used for furnishing Company Services and the Channels, facilities, or equipment of others shall be provided at the Customer's expense.
- D. Company may be connected to the services or facilities of other communications Carriers only when authorized by, and in accordance with, the terms and conditions of the tariffs of the other communications Carrier which are applicable to such connections.

3.9. NONROUTINE INSTALLATION

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours and/or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

3.10. OWNERSHIP OF FACILITIES

Title to all Facilities provided in accordance with the tariffs of the Company remains with the Company, its agents or contractors. The Customer shall not have, nor shall it assert, any right, title or interest in all the fiber optic or other Facilities and associated equipment provided by the Company hereunder.

3.11. OPTIONAL RATES AND INFORMATION PROVIDED TO THE PUBLIC

The Company will promptly advise Customers who may be affected of new, revised or optional rates applicable to their Service. Pertinent information regarding the Company's Services, rates and charges shall be provided directly to Customers, or shall be available for inspection at the Company's local business address. In the event of prior knowledge of an interruption of Service for a period exceeding one day, the Customers will, if feasible, be notified at least one week in advance.

SECTION 3 – RULES AND REGULATIONS, Continued

3.15. PAYMENT FOR SERVICE

The Customer is responsible for the payment of all charges for Facilities and Services furnished by the Company to the Customer and to all Users authorized by the Customer, regardless of whether those Services are used by the Customer.

3.16. BILLING AND COLLECTION OF CHARGES

3.16.1. The Company will comply with the provisions of R14-2-508(B) and (C) with respect to billing format and billing terms for Service. Nonrecurring charges are due and payable within 30 days as indicated on the due date on an invoice received by Customer from the Company.

3.16.2. The Company shall present invoices for Recurring Charges monthly to the Customer, in advance of the month in which Service is provided, and Recurring Charges shall be due and payable within 30 days as indicated on the due date of the invoice.

3.16.3. Charges based on usage will be included on the next invoice rendered following the end of the billing cycle in which the usage occurs, and will be due and payable within 30 days as indicated on the invoice due date.

3.16.4. When Service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which Service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.

3.16.5. Billing of the Customer by the Company will begin on the Service Commencement Date, which is the first day following the date on which the Company notifies the Customer that the Service or Facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the Service or Facility does not conform to standards set forth in the tariffs of the Company or the Service Order. Billing accrues through and includes the day that the Service, circuit, arrangement or component is discontinued.

3.16.6. Late payment charges of one and one-half (1.5) percent may be added to any unpaid balance brought forward from the previous billing date to cover the cost of collection and carrying accounts in arrears.

3.17. ADVANCE PAYMENTS

3.17.1. To safeguard its interests, the Company may require a Customer to make an Advance Payment before Services and Facilities are furnished. The Advance Payment will not exceed an amount equal to the nonrecurring charge(s) and the first month's estimated usage and Recurring Charges for the Service or facility. In addition, where special construction is involved, the Advance Payment may also include an amount equal to the estimated nonrecurring charges for the special construction and Recurring Charges (if any) for a period to be set between the Company and the Customer. The Advance Payment will be credited to the Customer's initial bill and may be required in addition to a deposit.

3.17.2. A Customer whose Service has been discontinued for nonpayment of bills will be required to pay the unpaid balance due Company and may be required to pay reconnect charges.

3.18. DEPOSITS

3.18.1. General

- A. The Company may require a deposit from Customers to protect against uncollectible accounts. The maximum amount of any deposit will not exceed the equivalent of the Customers estimated liability for two months usage. All Applicants and existing Customers shall be treated uniformly for the determination and application of deposits.
- B. The fact that a deposit has been made in no way relieves the Customer from complying with the Company's regulations as to Advance Payments, or the prompt payment of bills on presentation.
- C. The Company will pay interest on deposits held longer than 90 days, to accrue from the date the deposit is made until it has been refunded, or until a reasonable effort has been made to effect refund. The Commission shall notify the Company in January of each year of the interest rate prevailing for that year.
- D. At the option of the Customer making a security deposit, the Company shall annually make either direct payment to the Customer of all accrued interest, or shall credit same to the Customer's account. Customer deposits may be refunded by the Company at any time. Residential Customer's deposits will not be held longer than one year and all other deposits will not be held longer than two years provided the Customer has established satisfactory credit during the period.
- E. When the Company requires a deposit from any Residential Customer, said Customer shall be permitted to pay it in three consecutive equal monthly installments whenever the total amount of the required deposit exceeds the sum of forty dollars (\$40.00). Provided, however, that the Company shall have the discretion to allow payment of any deposit (more or less than \$40.00) over a longer period of time to avoid undue hardship.

3.18.2. Return of Deposit Upon Discontinuance of Service

When Service is discontinued, the amount of the initial or additional deposit, with any interest due, will be credited to the Customer's account and any credit balance which may remain will be refunded. After an existing Customer has established satisfactory credit, the amount of the deposit, with any interest due, will be either credited to the account or at the option of the Customer, refunded. Satisfactory credit for a Customer is defined as twelve consecutive months of Service without Suspension for nonpayment and with no more than one notification of intent to Suspend Service for nonpayment.

3.18.3. Services for Which Non-Payment May or May Not Result in Discontinuance

- A. Non-payment of noncompetitive tariffed services, regulated by the Arizona State Corporation Commission, billed on a Customer's local Service account may result in Discontinuance of that Customers local telephone Service. Examples of Services which non-payment of will not result in the Discontinuance of local Service are: toll Services (inter or intraLATA), voice mail, Internet, paging and any charges not billed on behalf of the Company, i.e., charges billed for long distance Carriers and non-telecommunications carriers; and federally-imposed Customer charges and taxes (and certain state and local charges and taxes) such as the subscriber line charge, local number portability charge, and E911 tax. The Company will note on the Customer bill those items that non-payment of may lead to Discontinuance of local telephone Service.
- B. The Company will not Discontinue Customers' local Service for non-pay of regulated noncompetitive tariffed Services without first giving the Customer 10 days written notice as provided in Section 3.19. of this Tariff.

3.19. DISCONNECTION OR SUSPENSION OF SERVICE BY COMPANY, Continued

3.19.2. Duration of Suspension

The Company may continue Suspension of Service until all charges due have been paid and all violations have ceased. During the period of such Suspension all monthly recurring charges apply. Should the Customer fail to comply with the Company's instructions during the Suspension period, Service will be Discontinued and the Customer must pay the Denied Service Restoral Charge set forth in Section 4.2.1.(E) of this Tariff in addition to all applicable monthly Service charges before Service will be restored.

3.19.3. When Service May be Disconnected

The Company may Disconnect the Service without Suspension of Service or following Suspension of Service, and disconnect and remove any of its equipment from the Customer's Premises. If Service is Disconnected after a Suspension, the date of Disconnection is considered to be the date Service was Suspended.

A Customer's Local Exchange Service may only be Disconnected for non-payment of noncompetitive tariffed Services regulated by the Commission. Local Exchange Service may not be Disconnected for non-payment of toll Services, voice mail, Internet, paging, charges not billed on behalf of the Company and federally imposed Customer charges and taxes.

3.19.4. Resumption of Service

If Service has been discontinued for nonpayment or as otherwise provided herein and the Customer wishes it continued, Service shall, at the Company's discretion, be restored when all past due amounts are paid or the event giving rise to the discontinuance (if other than nonpayment) is corrected to the satisfaction of Company in Company's sole and absolute discretion and Customer pays a deposit at Company's discretion. All applicable nonrecurring charges shall apply when Services are restored.

3.21. CHANGES IN SERVICE REQUESTED

If the Customer makes or requests material changes in circuit engineering, equipment specifications, Service parameters, Premises locations, or otherwise materially modifies any provision of the application for Service, the Customer's installation fee shall be adjusted accordingly.

3.22. SUSPENSION OR DISCONTINUANCE OF SERVICE BY CUSTOMER

3.22.1. Customers may Suspend or Discontinue Service by providing written or verbal notice to Company prior to Suspension or Discontinuance. Notice must specify the date on which Service is to be Suspended or Discontinued.

3.22.2. The Customer remains responsible for all Service charges until the day and time on which Service is actually Suspended or Discontinued.

3.22.3. If Customer Discontinues Service before Company completes installation of the Service and at the time of Discontinuance Company has incurred any expense in installing Services or preparing to install Service that it would not otherwise have incurred, a charge equal to the cost Company incurred will apply. In no case will this charge exceed the charge for the minimum period of Services ordered, including Installation Charges and Non-Recurring charges and all amounts others may charge Company that would have been chargeable to the Customer had Service been initiated.

3.22.4. If the Customer Discontinues Service after Company has completed installation, the charge set forth in Subsection 3.22.3 above will apply to the extent Company has not yet recovered the costs described therein. In addition, the minimum Service period obligations will apply regardless of whether Service has been initiated and the charges in Section 4 will apply.

3.22.5. In the case of a Customer-initiated modification of Service, charges for the subsequent order are in addition to the costs incurred before the Customer changed the original order.

3.22.6. Customers must pay a Line Restoral Charge prior to Restoral of Service suspended at Customer's request.

- A. all Nonrecurring charges as specified in this Tariff or other Company tariffs, plus
- B. any Discontinuance, early cancellation or termination charges reasonably incurred and paid to third parties by the Company on behalf of Customer, plus
- C. all Recurring Charges specified in this Tariff or other Company tariffs for the balance of the then current term.
- D. a percentage up to the entire committed total of all usage charges due to Company over the term.

3.23. TAXES

The Customer is responsible for the payment of 911 taxes, Telecommunications Relay Service, Local Number Portability, and Rights of Way fees, Federal excise taxes, gross receipts, access, state and local sales and use taxes and all taxes, fees, surcharges (however designated) and other exactions imposed on the Company or its Services by governmental jurisdictions, other than taxes imposed generally on corporations. Any taxes imposed by a local jurisdiction (e.g. county and municipal taxes) will only be recovered from those Customers residing in the affected jurisdictions. All such taxes, fees, and charges shall be separately designated on the Company's invoices, and are not included in the tariffed rates. SECTION 3 – RULES AND REGULATIONS, Continued

3.33. SPECIAL ASSEMBLY

The Company may provide a unique intrastate service arrangement for a Customer where no tariffed service exists for the service. The unique service can be provided via a Special Assembly.

The Company will maintain records of its Special Assembly contracts for Commission review as conditions or circumstances may require.

3.34. PROMOTIONAL OFFERINGS

The Company may make promotional offerings of its tariffed Services which may include reducing or waiving applicable charges for the promoted service. No individual promotional offering will exceed six months in duration, and any promotional offering will be extended on a non-discriminatory basis to any Customer similarly classified who requests the specific offer. The Company will submit its Promotions by letter to the Commission Staff outlining the promotion, listing the tariffed item being promoted, and the promotion's start and end dates in lieu of filing language in the tariff.

3.35. INDIVIDUAL CASE BASIS (ICB) ARRANGEMENTS

Arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this tariff. Rates quoted in response to such competitive requests may be different than those specified for such services in this tariff. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis. The Company will maintain records of its ICBs for Commission review as conditions or circumstances may require.

3.36. TELECOMMUNICATIONS RELAY SERVICE (TRS)

Enables deaf, hard-of-hearing or speech-impaired persons who use a Text Telephone (TT) similar devices to communicate freely with the hearing population not using TT and visa versa. A Customer will be able to access the state provider to complete such calls. The Company will impose a surcharge to all Customers at a level determined by the Commission. The customer may access TRS via the Company by either TRS's toll tree 800 number or by dialing the 711 service access code.

4.2. INTRALATA AND INTERLATA PRESUBSCRIPTION

4.2.1. General

Carrier Presubscription is a procedure whereby a Customer designates to the Company the carrier that the Customer wishes to be the carrier of choice for intraLATA and interLATA toll calls. Such calls are automatically directed to the designated carrier, without the need to use carrier access codes or additional dialing to direct the call to the designated carrier. Presubscription does not prevent a Customer who has presubscribed to an IntraLATA or InterLATA toll carrier from using carrier access codes or additional dialing to direct calls to an alternative long distance carrier on a per call basis.

4.2.2. Presubscription Charges

After a Customer's initial selection for a presubscribed toll carrier, for any change thereafter, a Presubscription Change Charge, as set forth below will apply. Customers who request a change in intraLATA and interLATA carriers with the same order will be assessed a single charge per line.

Nonrecurring Charges Per business or residence line, trunk, or port

	Minimum	Maximum
Initial Line, or Trunk or Port	\$0.00	\$1.00
Additional Line, Trunk or Port (manual)	\$2.75	\$7.75

4.3. DEDICATED BUSINESS LOCAL SERVICES (INTEGRATED SERVICES DIGITAL PRIMARY RATE INTERFACE SERVICE/T-1)

4.3.1 Service Description

- A. Company offers Business Customers an Integrated Service Digital Network (ISDN) Primary Rate Interface (PRI)/T-1 service for high-speed dedicated voice and data transmission. Company's ISDN PRI Service employs a 1.544 Megabits per second (Mbps) facility typically divided into twenty-three B Channels and one D Channel. The B Channels are used for Circuit-switched voice and data communications connecting to the public switched telephone network (PSTN) while the D Channel provides out-of-band signaling. The T-1 service employs a variety of added features.
- B. ISDN PRI/T-1 provides the Customer with a single, voice-grade, DTMF communications Channel.
- C. ISDN PRI/T-1 and its associated features are only provided where facilities, equipment and technical capabilities exist and does not create an obligation for the Company to construct such facilities and equipment especially for the provision of this Service.
- D. Customer is responsible for providing Customer Premises Equipment that is compatible with ISDN-PRI/T-1 Service.
- E. The Company shall not be responsible if changes in any of the equipment, operations or procedures of the Company utilized in the provisioning of ISDN-PRI/T-1 Service render any facilities provided by the customer obsolete or require modification or alteration of such equipment or system or otherwise affect its use or performance.

4.3.3. Optional Features

Backup D Channel – In arrangements of two or more Primary Rate Interfaces or Ports, it provides enhanced continuity of Service by allowing a D Channel on one Primary Rate Interface or Port to automatically take over for a failed D Channel on another Primary Rate Interface or Port. A single Backup D Channel may support a maximum of five interfaces or ports.

Calling Number and Name Delivery – Provides the Customer who is receiving a call with the telephone number and the name of the calling party.

Serial Hunt – Calls will start with the number of the trunk dialed and hunt sequentially to the end of the trunk or hunt group.

Circular Hunt – A switch feature that dynamically points each new call attempt to the next idle B Channel following the last Channel either to have accepted a call or the last Channel to have attempted to place a call.

DLH (Distributed Line Hunting) – Calls are distributed evenly among a trunk group or hunt group by number of calls.

MIDL/LIDL (Most Idle/Least Idle) – Incoming calls will be sent to the trunk that has been idle the longest (MIDL) or the shortest (LIDL) amount of time.

Direct Inward Dialing (DID) Numbers – Provides telephone numbers for direct inward dialing. Numbers are available in blocks of ten or one hundred, or as a single number. The assignment and sequence of the numbers may be requested by the Customer in cases where the Company has the number or series of numbers available for use.

Dynamic Channel Allocation – Allows a Customer to designate the quantity of B Channels for call types to be allocated within previously provisioned criteria for either DID or Direct Outward Dialing (DOD) capability. [Not currently available; under development.]

4.3.3. Optional Features, Continued

Enhanced Alternate Route – Allows incoming voice calls to overflow on an emergency and busy basis to a line or Trunk side connection designated by the Customer. A route may be limited in the number of simultaneous calls that can be routed.

Enhanced 911 – The number of the caller is transmitted to the PSAP where it is cross-referenced with an address database to determine the caller's location.

Inform 911 – Allows the calling party number of the station to be sent to the E911 database rather than the billed telephone number. It is the Customer's responsibility to provide station number updates to the 911 database.

Local Number Portability – Allows businesses to switch local service providers and retain their local telephone numbers.

Inbound Only – Provides for an inbound calling option on the Primary Rate Interface or Primary Rate Port. No outgoing capability exists when this feature is selected. A minimum of one D Channel is required.

Inbound Interface – Provides a PRI termination and a Digital multichannel transmission path between the Central Office and the Customer's Premises and is configured with one D Channel or a Backup D Channel and 23 B Channels or 24 B Channels.

Universal Calling – Allows the end-user to make and receive local, intraLATA (local toll) and long distance calls. PNG Local Service provides Universal Calling with the following call coverage:

- Local Call Coverage: enable callers to place phone calls to any telephone in a pre-defined local calling area.
- Extended Area Service (EAS): enables callers to place calls to a pre-defined area outside of what is normally considered the local calling area at no extra charge.
- IntraLATA (Local Toll): carried by the long distance network.
- InterLATA: also carried by the long distance network.

Service Access Codes (SAC) – SACs are non-geographic area codes (often referred to as NPAs) assigned for special network uses. These codes include 500,700, and 8XX.

- A. Term Pricing Plans: Term Pricing Plans (TPP) are available to the Customer. The Customer must select either a 12 Month, 24 Month or 36 Month term.
- B. Modifying Term Pricing Plans: A TPP may be modified when additional PRI/T-1 Circuits are purchased.

A TPP may be also be converted to a longer TPP, without incurring a Termination Charge, if there is at least one month remaining on an existing TPP. Service will automatically renew at month-to-month terms.

- C. Expiration of Term Pricing Plan: Within one month prior to the expiration of a TPP, the Customer must select one of the following options:
 - 1. Renew the Service for an additional term at the TPPs available; or
 - 2. Disconnect Service at the end of the billing period.
- D. Waiving of Nonrecurring Charges per circuit: For 12 month terms, a \$198 non-recurring charge applies. Company will waive the non-recurring charge on terms of 24 and 36 months.
- E. Moves and Changes: There are two types of modifications available for PRI/T-1 Circuits:
 - 1. A move of the point of termination of an existing PRI Circuit(s) to a new location within the Customer's same Premises.
 - 2. Any subsequent change or rearrangement of Services requested by the Customer on an existing PRI Circuit(s). Fee may apply.

- F. **Termination Liability:** If the service is terminated by a Customer before the expiration of the initial or any subsequent term, the Customer will pay to PNG an amount equal to the sum of:
1. all billed and unbilled charges which the Customer has not paid at the time of termination;
 2. the monthly recurring charge at the time of termination multiplied by the number of months remaining in the term;
 3. and all charges incurred by PNG to its suppliers and other third parties for the provision or disconnection of service to the Customer.
- G. **Cancellation Charge:** If the Company misses a Service installation date by more than thirty (30) days due to a Force Majeure condition, the Customer may cancel an order without incurring a Cancellation Charge.
- H. **Local Usage:** Customers are provided unlimited local service for the local servicing area as part of the business offering.
- I. **Promotions:** The Company may, from time to time, engage in special promotions of new or existing Service offerings of limited duration designed to attract new Customers or to increase existing Customer awareness of a particular offering. The promotional offerings are subject to the availability of the services and may be limited to a specific geographical area or to a subset of a specific market group; provided, however, all promotional offerings shall be offered in accordance with applicable Commission rules or regulations.
