Regarding the ongoing developments related to the coronavirus (COVID-19) situation, we want to make you aware of what steps the Securities Division is taking to keep our staff and our stakeholders as safe as possible.

As of today:

- The offices of the Securities Division are closed to the public. Most of the Securities staff are teleworking from home.

- You may reach the staff of the Securities Division via their state email or by leaving them a voicemail message on their state office line. All staff will be responding to email and voicemail messages throughout the day every business day during this telework period. Relevant contact information is available on the agency’s website at http://www.azcc.gov/securities.

- Licensing staff are continuing to process licensing/registration applications through the CRD/IARD systems. Requests for supplemental information may be submitted via email.

- The Securities Division is still accepting Regulation D, Rule 506 notices through its online portal. Please visit the Division's Form D Filing web page to begin your filing.

- Field examiner staff are conducting streamlined, remote examinations using phone and email correspondence in lieu of traditional on-site examinations during this time.

- Enforcement staff also are limiting in-person contacts with witnesses and regulatory partners, taking advantage of phone, email, and other forms of telecommunications technology to complete their work in a virtual environment.
• We are sensitive to the challenges that the crisis has created for our registered community and our constituents. Please know that our staff will be responsive and receptive to requests for extensions and other appropriate forms of regulatory relief arising from service and staff disruptions occasioned by COVID-19.

• The Governor signed an executive order allowing remote online notarizations. Out-of-state and Arizona applicants may consider such a service, as A.R.S. § 41-373(A)(2) allows Arizona notaries to process documents for individuals that are located within and outside of the state. For more information on remote notarization, along with a list of eNotary providers, please visit the Arizona Secretary of State’s website.

We are following all directives and guidance issued by the state of Arizona, related to COVID-19, including those related to travel and public gatherings. For this reason, Outreach presentations are being postponed and staff are abstaining from professional conferences and training programs, which are being canceled or postponed in large part due to social distancing efforts to reduce viral impact.

Please work directly with agency staff via telephone or email on matters requiring staff attention. The situation remains fluid and there may be a point in time when we will take additional steps to protect the health of both our employees and the public.

Additional securities regulatory information related to COVID-19 for jurisdictions beyond Arizona can be found on the website of the North American Securities Administrators Association, of which Arizona is a member, at the following link: www.nasaa.org/industry-resources/covid-19-updates/.

Please keep yourself informed and stay safe.
