OTHER (description):

Southwest Gas Corporation's system tracks total terminations; it does not distinguish terminations between
with or without notice. However, nearly all disconnections are with appropriate notice. The rare
exceptions are outlined in RULE No. 10B of our Arizona tariff, including in circumstances of a safety risk
to the utility, its customers or the general public. The amounts in the "Other" column are tenant changes,
meaning that they are not actual disconnections. They represent only a change of existing service into
a new customer's name.
