I. Late Payment Charge, Per Month $3.00

---

6 This charge shall not apply if the customer has arranged for a Deferred Payment Plan.
7 Bills for utility services are due and payable when rendered. Any payment not received within fifteen (15) days from the date the bill was rendered shall be considered delinquent and subject to the termination policy set forth in the Company’s rate tariff. All late payment penalties shall be billed on the customer’s next regularly scheduled billing. If the customer fails to pay the late payment penalty by the due date on the next billing, the customer will receive a ten (10) day termination notice. If the customer does not pay the late payment penalty by that date the service will be terminated. Service shall be terminated only for that service for which the customer is delinquent or is in violation. All customers whose service is terminated for failure to pay the late payment penalty are subject to the Company’s reconnection charges set forth in the Company’s tariff.

STATEMENT OF CHARGES
WATER SERVICE

IV. PERMITTED COSTS

A. Costs shall be verified by invoice.

B. For services that are provided by the Company at costs, cost shall include labor, materials, other charges incurred, and overhead. However, prior to any such service being provided, the estimated cost of such service will be provided by the Company to the customer. After review of the cost estimate, the customer will pay the amount of the estimated cost to the Company.

C. In the event that the actual cost is less than the estimated cost, the Company will refund the excess to the customer within 30 days after completion of the provision of the service or after Company’s receipt of invoices, timesheets or other related documents, whichever is later.

D. In the event the actual cost is more than the estimated cost, the Company will bill the customer for the amount due within 30 days after completion of the provision of the service or after the Company’s receipt of invoices, timesheets or other related documents, whichever is later. The amount so billed will be due and payable 30 days after the invoice date.

E. At the customer’s request, the Company shall make available to the customer all invoices, timesheets or related documents that support the cost for providing such service.

F. Permitted costs shall include any State or Federal income taxes that are or may be payable by the Company as a result of any tariff or contract for water facilities under which the Customer advances or contributes funds or facilities to the Company.

PART TWO

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

I. CROSS-CONNECTION CONTROL

A. Purpose.

To protect the public water supply in the Company's water supply in the Company's water system from the possibility of contamination caused by backflow through unprotected cross-connections by requiring the installation and periodic testing of backflow-prevention assemblies pursuant to the provisions of the Arizona Administrative Code, Title 14, Chapter 2, Section 405.B.6 as adopted by the Arizona Corporation Commission, and Title 18, Chapter 4, Section 115, as adopted by the Arizona Department of Environmental Quality, as those regulations may be revised from time to time.

B. Inspections.

The customers shall cooperate fully with the Company in its efforts to investigate and determine the degree of potential health hazard to the public water supply which may result from conditions existing on the customer's premises.

C. Requirements.

In compliance with the Rules and Regulations of the Arizona Corporation Commission and the Arizona Department of Environmental Quality, specifically A.A.C. R14-2-405.B.6 and A.A.C. R18-4-115 relating to backflow prevention:

1. The Company may require a customer to pay for and install, maintain, test and repair a backflow-prevention assembly if A.A.C. R18-4-115.B or C applies.

Issued: October 25, 2002

PART TWO

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

2. A backflow-prevention assembly required to be installed by the customer under this tariff shall comply with the requirements set forth in A.A.C. R18-4-115.D and E.

3. The Company shall give any customer who is required to install and/or test a backflow-prevention assembly written notice of said requirement. If A.A.C. R14-2-410.B.1.a. is not applicable, the customer shall be given thirty (30) days in which to comply with this notice. If the customer can show good cause as to why he cannot install the device within thirty (30) days, the Company or the Arizona Corporation Commission Staff may grant additional time for this requirement.

4. Testing shall be in conformance with the requirements of A.A.C. R18-4-115.F. The Company shall not require an unreasonable number of tests.

5. The customer shall provide the Company with records of installation and testing. For each backflow-prevention assembly, these records shall include:
   a. assembly identification number and description;
   b. location;
   c. date(s) of test(s);
   d. description of repairs made by tester; and
   e. tester’s name and certificate number.

D. Discontinuance of Service.

In accordance with A.A.C. R14-2-407 and 410 and provisions of this tariff, the Company may terminate service or deny service to a customer who fails to install and/or test a backflow-prevention assembly as required by this tariff.

Issued: October 25, 2002

PART TWO

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

1. In the event the backflow-prevention assembly has not been installed or fails any test and A.A.C. R14-2-410.B.1.a. is applicable, the Company may terminate service immediately and without notice. The backflow-prevention assembly shall be installed and repaired by the customer and retested before service is restored.

2. In the event the backflow-prevention assembly has not been installed or fails any test and A.A.C. R14-2-410.B.1.a. is applicable, the backflow-prevention assembly shall be installed and/or repaired by the customer and tested within fourteen (14) days of written notice by the Company. Failure to install or to remedy the deficiency or disfunction of the assembly, or failure to retest shall be grounds for termination of water utility service in accordance with A.A.C. R14-2-410.

II. CURTAILMENT PLAN FOR SUNRISE VISTAS UTILITIES COMPANY

Consecutive Water System

ADEQ Public Water System Number: 08-133

Sunrise Vistas Utilities Company ("Company"), is authorized to curtail water service to all customers within its certificated area under the terms and conditions listed in this tariff.

This curtailment plan shall become part of the Arizona Department of Environmental Quality Emergency Operations Plan for the Company.

Issued: October 25, 2002

ISSUED BY:

Rafe Cohen, Secretary
Sunrise Vistas Utilities Company
2509 E. Kimberly Drive

PART TWO

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

The Company shall notify its customers of this new tariff as part of its next regularly scheduled billing after the effective date of the tariff or no later than sixty (60) days after the effective date of the tariff.

The Company shall provide a copy of the curtailment tariff to any customer, upon request.

Stage 1 Exists When:

Company's water supplier **Bermuda Water Company** ("Supplier"), is able to provide 100 percent of the Company's water demand.

**Restrictions:** Under Stage 1, the Company is deemed to be operating normally and no curtailment is necessary.

**Notice Requirements:** Under Stage 1, no notice is necessary.

Stage 2 Exists When:

a. The Supplier cannot supply more than 80 percent of the Company's daily average demand and,

b. Supplier has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Supplier will be unable to meet anticipated water demand on a sustained basis.

PART TWO

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

Restrictions: Under Stage 2, the Company may request the customers to voluntarily employ water conservation measures to reduce water consumption by approximately 50 percent. Outside watering should be limited to essential water, dividing outside watering on some uniform basis (such as even and odd days) and eliminating outside watering on weekends and holidays.

Notice Requirements: Under Stage 2, the Company is required to notify customers by delivering written notice door to door at each service address, or by United States first class mail to the billing address or, at the Company’s option, both. Such notice shall notify the customers of the general nature of the problem and the need to conserve water.

Stage 3 Exists When:

a. The Supplier cannot supply more than 50 percent of the Company’s daily average demand and,

b. Supplier has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Supplier will be unable to meet anticipated water demand on a sustained basis.

Restrictions: Under Stage 3, the Company shall request the customers to voluntarily employ water conservation measures to reduce daily consumption by approximately 50 percent. All outside watering should be eliminated, except livestock, and indoor water conservation techniques should be employed whenever possible.

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

Notice Requirements:

1. The Company is required to notify customers by delivering written notice to each service address, or by United States first class mail to the billing address or, at the Company’s option, both. Such Notice shall notify the customers of the general nature of the problem and the need to conserve water.

2. Beginning with Stage 3, the Company shall post at least 2 signs showing the curtailment stage. Signs shall be posted at noticeable locations, like entrance to major subdivisions served by the Company.

3. The Company shall notify the Consumer Services Section of the Utilities Division of the Corporation Commission at least 12 hours prior to entering stage 3.

Stage 4 Exists When:

a. The supplier cannot supply more than 25 percent of the Company's daily average demand and,

b. Supplier has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Supplier will be unable to meet anticipated water demand on a sustained basis.

Restrictions: Under Stage 4, the Company shall inform the customers of a mandatory restriction to employ water conservation measures to reduce daily consumption. Failure to comply will result in customer disconnection. The following uses of water shall be prohibited:

STATEMENT OF TERMS AND CONDITIONS
WATER SERVICE

• Irrigation of outdoor lawns, trees, shrubs, or any plant life is prohibited
• Washing of any vehicle is prohibited
• The use of water for dust control or any outdoor cleaning uses is prohibited
• The use of drip or misting systems of any kind is prohibited
• The filling of any swimming pools, spas, fountains, or ornamental ponds is prohibited
• Restaurant patrons shall serve water only upon request
• Any other water intensive activity shall be prohibited

Notice Requirements:

1. The Company is required to notify customers by delivering written notice to each service address, or by United States first class mail to the billing address or, at the Company’s option, both.

2. The Company shall have posted at least 2 signs showing the curtailment stage. Signs shall be posted at noticeable locations, like the entrance to the major subdivisions served by the Company.

3. The Company shall notify the Consumer Services Section of the Utilities Division of the Corporation Commission ("Commission") at least 12 hours prior to entering stage 4.

Customers who fail to comply with the above referenced restrictions will be given written notice to end all outdoor use. Failure to comply within two (2) working days of receipt of the notice will result in temporary loss of service until agreement can be made to end unauthorized use of outdoor water. To restore service, the customer shall be required to pay all authorized reconnection fees.

\textsuperscript{16} Bills for utility services are due and payable when rendered. Any payment not received within fifteen (15) days from the date the bill was rendered shall be considered delinquent and subject to the termination policy set forth in the Company's rate tariff. All late payment penalties shall be billed on the customer's next regularly scheduled billing. If the customer fails to pay the late payment penalty by the due date on the next billing, the customer will receive a ten (10) day termination notice. If the customer does not pay the late payment penalty by that date the service will be terminated. Service shall be terminated only for that service for which the customer is delinquent or in violation. All customers whose service is terminated for failure to pay the late payment penalty are subject to the Company's reconnection charge set forth in the Company's tariff.

\textsuperscript{17} The Company shall install and own the Service Line up to the customer's property line. The customer shall install and own the Service Line beyond that point. The customer shall maintain and operate the service line from the connection to the main line in the street or right-of-way to its interconnection with the customer's building or facility.

STATEMENT OF CHARGES
WASTEWATER SERVICE

IV. PERMITTED COSTS

A. Costs shall be verified by invoice.

B. For services that are provided by the Company at cost, cost shall include labor, materials, other charges incurred, and overhead. However, prior to any such service being provided, the estimated cost of such service will be provided by the Company to the customer. After review of the cost estimate, the customer will pay the amount of the estimated cost to the Company.

C. In the event that the actual cost is less than the estimated cost, the Company will refund the excess to the customer within 30 days after completion of the provision of the service or after Company’s receipt of invoices, timesheets or other related documents, whichever is later.

D. In the event the actual cost is more than the estimated cost, the Company will bill the customer for the amount due within 30 days after completion of the invoices, timesheets or other related documents, whichever is later. The amount so billed will be due and payable 30 days after the invoice date.

E. At the customer’s request, the Company shall make available to the customer all invoices, timesheets or related documents that support the cost for providing such service.

F. Permitted costs shall include any State or Federal income taxes that are or may be payable by the Company as a result of any tariff or contract for wastewater facilities under which the Customer advances or contributes funds or facilities to the Company.

PART FOUR

STATEMENT OF TERMS AND CONDITIONS
WASTEWATER SERVICE

I. CUSTOMER DISCHARGE TO SYSTEM

A. Service Subject to Regulation

The Company provides wastewater service using treatment and collection facilities that are regulated by numerous county, state and federal Statutes and Regulations. Those Regulations include limitations as to domestic strength wastewater and the type of wastewater that may be discharged into the system by any person directly or indirectly connected to the plant.

B. Waste Limitations

The Company has established the permissible limits of concentration as domestic strength wastewater and will limit concentration for various specific substances, materials, waters, or wastes that can be accepted in the sewer system, and to specify those substances, materials, waters, or wastes that are prohibited from entering the sewer system. Each permissible limit so established shall be placed on file in the business office of the Company, with a copy filed with the Commission. No person shall discharge, or cause to be discharged, any new sources of inflow including, but not limited to, storm water, surface water, groundwater, roof runoffs, subsurface drainage, cooling water, or polluted industrial process waters into the sanitary sewer. The Company will require an affidavit from all commercial and industrial customers, and their professional engineer, stating that the wastewater discharged to the system does not exceed domestic strength.

PART FOUR

STATEMENT OF TERMS AND CONDITIONS

WASTEWATER SERVICE

C. Inspection and Right of Entry

Every facility that is involved directly or indirectly with the discharge of wastewater to the Treatment Plant may be inspected by the Company as it deems necessary. These facilities shall include but not be limited to sewers; sewage pumping plants; all processes; devices and connection sewers; and all similar sewerage facilities. Inspections may be made to determine that such facilities are maintained and operated property and are adequate to meet the provisions of these rules. Inspections may include the collection of samples. Authorized personnel of the Company shall be provided immediate access to all of the above facilities or to other facilities directly or indirectly connected to the Treatment Plant at all reasonable times including those occasioned by emergency conditions. Any permanent or temporary obstruction to easy access to the user’s facility to be inspected shall promptly be removed by the facility user or owner at the written or verbal request of the Company and shall not be replaced. No person shall interfere with, delay, resist or refuse entrance to an authorized Company representative attempting to inspect any facility involved directly or indirectly with a discharge of wastewater to the Treatment Plant. Adequate identification shall be provided by the Company for all inspectors and other authorized personnel and these persons shall identify themselves when entering any property for inspection purposes or when inspecting the work of any contractor.

All transient motor homes, travel trailers and other units containing holding tanks must arrive at the Company’s service area in any empty condition. Inspection will be required of said units prior to their being allowed to hookup to the wastewater system.

PART FOUR

STATEMENT OF CHARGES
WATER SERVICE

D. Termination of Water Service for Violation of Wastewater Rules and Regulations

The Company is authorized to discontinue water service to any person connected to both its water and sewer systems who violates the Company's wastewater terms and conditions as set forth in this PART FOUR. This termination authority does not apply to non-payment for water or wastewater services.

II. RULES AND REGULATIONS

The Company has adopted the Rules and Regulations established by the Commission as the basis for its operating procedures. A.A.C. R14-2-601 through A.A.C. R14-2-609 will be controlling of Company procedures, unless specifically approved tariffs or Commission Order(s) provide otherwise.

CURTAILMENT PLAN FOR Sunrise Vista Utility Co.  
(Template 063004)

Consecutive Water System

ADEQ Public Water System No: 28-133

Sunrise Vista Utility Co. ("Company"), is authorized to curtail water service to all customers within its certificated area under the terms and conditions listed in this tariff.

This curtailment plan shall become part of the Arizona Department of Environmental Quality Emergency Operations Plan for the Company.

The Company shall notify its customers of this new tariff as part of its next regularly scheduled billing after the effective date of the tariff or no later than sixty (60) days after the effective date of the tariff.

The Company shall provide a copy of the curtailment tariff to any customer, upon request.

Stage 1 Exists When:

Company’s water supplier Beehovia Water Co. ("Supplier"), is able to provide 100 percent of the Company’s water demand.

Restrictions: Under Stage 1, the Company is deemed to be operating normally and no curtailment is necessary.

Notice Requirements: Under Stage 1, no notice is necessary.

Stage 2 Exists When:

a. The Supplier cannot supply more than 80 percent of the Company's daily average demand and,

b. Supplier has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Supplier will be unable to meet anticipated water demand on a sustained basis.

Restrictions: Under Stage 2, the Company may request the customers to voluntarily employ water conservation measures to reduce water consumption by approximately 50 percent. Outside watering should be limited to essential water, dividing outside watering on some uniform basis (such as even and odd days) and eliminating outside watering on weekends and holidays.

Revised June 30, 2004
TARIFF SCHEDULE

Docket No.: 2 of 3
Phone No.: 928-738-5260

Decision No.: 1.26.05
Effective: 1.26.05

Notice Requirements: Under Stage 2, the Company is required to notify customers by delivering written notice door to door at each service address, or by United States first class mail to the billing address or, at the Company's option, both. Such notice shall notify the customers of the general nature of the problem and the need to conserve water.

Stage 3 Exists When:

a. The Supplier cannot supply more than 50 percent of the Company's daily average demand and,

b. Supplier has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Supplier will be unable to meet anticipated water demand on a sustained basis.

Restrictions: Under Stage 3, the Company shall request the customers to voluntarily employ water conservation measures to reduce daily consumption by approximately 50 percent. All outside watering should be eliminated, except livestock, and indoor water conservation techniques should be employed whenever possible. Standpipe service shall be suspended.

Notice Requirements:

1. The Company is required to notify customers by delivering written notice to each service address, or by United States first class mail to the billing address or, at the Company's option, both. Such Notice shall notify the customers of the general nature of the problem and the need to conserve water.

2. Beginning with Stage 3, the Company shall post at least 4 signs showing the curtailment stage. Signs shall be posted at noticeable locations, like entrance to major subdivisions served by the Company.

3. The Company shall notify the Consumer Services Section of the Utilities Division of the Corporation Commission at least 12 hours prior to entering Stage 3.

Stage 4 Exists When:

a. The supplier cannot supply more than 25 percent of the Company's daily average demand and,

b. Supplier has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Supplier will be unable to meet anticipated water demand on a sustained basis.
Restrictions: Under Stage 4, the Company shall inform the customers of a mandatory restriction to employ water conservation measures to reduce daily consumption. Failure to comply will result in customer disconnection. The following uses of water shall be prohibited:

- Irrigation of outdoor lawns, trees, shrubs, or any plant life is prohibited
- Washing of any vehicle is prohibited
- The use of water for dust control or any outdoor cleaning uses is prohibited
- The use of drip or misting systems of any kind is prohibited
- The filling of any swimming pools, spas, fountains, or ornamental ponds is prohibited
- The use of construction water is prohibited
- Restaurant patrons shall serve water only upon request
- Any other water intensive activity shall be prohibited

The Company’s operation of its standpipe service is prohibited. The addition of new service lines and meter installations is prohibited.

Notice Requirements:

1. The Company is required to notify customers by delivering written notice to each service address, or by United States first class mail to the billing address or, at the Company’s option, both.

2. The Company shall have posted at least \( \checkmark \) signs showing the curtailment stage. Signs shall be posted at noticeable locations, like the entrance to the major subdivisions served by the Company.

3. The Company shall notify the Consumer Services Section of the Utilities Division of the Corporation Commission ("Commission") at least 12 hours prior to entering Stage 4.

Customers who fail to comply with the above referenced restrictions will be given written notice to end all outdoor use. Failure to comply within two (2) working days of receipt of the notice will result in temporary loss of service until agreement can be made to end unauthorized use of outdoor water. To restore service, the customer shall be required to pay all authorized reconnection fees.

If a customer believes he/she has been disconnected in error, the customer may contact the Commission's Consumer Services Section at 1-800-222-7000 to initiate an investigation.

Under Stage 4, the Company must rely on emergency hauling or must otherwise provide emergency drinking water for its customers.
